

Product Change Notification

PCN Publish Date: 05/19/2016

PCN#: 504

Change Title: Lid Change

Products Affected:

FOX331 Series
FOX321 Series
FOX333 Series
FOX332 Series

Description of Change to the Customer:

Lid change from electroless Ni plating to electrolysis Ni plating.
The new lid color will be slightly different from the current lid. Photos of each on the following page.
Reliability and material analysis data available on request.

Reason for Change:

Adopting a more environmental friendly process as part of Fox's green initiative.
Electroless Ni plating uses phosphorus which is a known environmental pollutant.
Electrolysis Ni plating does not use phosphorus.

Schedule of Change: Change is effective July 10 2016.

Customer Impact and Response: We sincerely believe this change will have minimal impact on our customers. If you have any questions, please contact Fox Technical Support at www.foxonline.com/email.htm or call 239-693-0099.
