

Product Change Notification

PCN Publish Date: 06/22/2005

PCN#: 220

Change Title: Product Process Change

Products Affected: Fox Pb (lead) free SMD Watch Crystals: FSMLF, FSMALF, FSRLF

Description of Change to the Customer: In an effort to make our Pb free, SMD watch crystals more backward compatible with traditional SnPb (tin/lead) processes, we are changing manufacturing processes for the above products from SnBi (tin/bismuth) to a 100% Sn (matte tin) process.

Schedule of Change:

Samples will be available by end of June.

Production will begin in July or August.

Customer Impact and Response: We believe this change will have minimal impact on our customers. If you have any questions, please contact Fox Technical Support at www.foxonline.com/email.htm or call 239-693-0099.
