Description of Change to the Customer: In an effort to make our product line more environmentally compatible and in compliance with regulatory guidelines, we are changing the FSXLF and FSRLF manufacturing process to a halogen/antimony free process.

There is no change to form, fit, or function and halogen/antimony free parts are backward compatible with previous manufacturing process

Schedule of Change: Change is effective immediately.

Customer Impact and Response: We believe this change will have minimal impact on our customers. If you have any questions, please contact Fox Technical Support at www.foxonline.com/email.htm or call 239-693-0099.
